Okies, usual rules guys, play nice and be nice. Bank holidays have been left free but there is no gap at the halfway point this time so please be mindful of your holidays and any rearranged games.

If you know you are going away try and play any affected games beforehand so you don't get too far behind.

Table times at the club are tight so please try and start on time as other games may be following yours. If you need to rearrange any games clear it with your opponent 1st and post it on the singles results page, please also remember to let the club know if you are rearranging so they can let the tables out to someone else.

8ers will only be counted from the break this time, ergo unless you break and dish an 8er won't count towards your free pint.

Fixtures with no specified times should start at 8pm, if you want another start time please contact your opponent.

Please try and be flexible, we all have lives and different working patterns so please do your best, and no results will be accepted after the final Monday.
